A CHARTERED ORGANIZATION

The chartered organization selects one of its members to register as chartered organization representative who may also serve as chair or as unit committee member if needed. All units must have a unit leader and a minimum of five paid youth. There must be at least three committee members, with one named chair. Packs must have a den leader/Webelos den leader/Tiger Cub leader who should be registered as an adult in the pack. The chartered organization also provides meeting facilities for the unit. No one may register in more than one position in the same unit, except the chartered organization representative.

Unit Liability Insurance Fee. Units are required to pay an annual unit liability insurance fee of \$40. This fee must be submitted with the unit's charter application and will help defray the expenses for the general liability insurance program. These fees will raise approximately 25 percent of the funds required to maintain insurance coverage for all chartered organizations, leaders, and ScoutParent unit coordinators.

Chartered Organization Certification. The executive officer of the chartered organization, by signature, certifies that the organization approves the charter application. The executive officer also certifies that the organization has approved all registering unit adults. The responsibility for approval of unit adults can also be given to the chartered organization representative. The chartered organization certifies that all registered adults: agree to abide by the Scout Oath and the Scout Law, the Declaration of Religious Principle, the policy of nondiscrimination, and the *Charter and Bylaws* and the *Rules and Regulations of the Boy Scouts of America*; agree to respect and obey the laws of the United States of America, and to meet age requirements as follows:
