

Cuboree 2017

Being a Cub Scout can be an incredible experience and a Cuboree is one of the best opportunities to experience the adventures outdoor. For young Cub Scouts this means multiple days of program and activities not otherwise accessible to this age group. Each event has a unique theme and provides variations in activities based on the resources available, so no one weekend is alike!

About Buffalo Trail Scout Ranch (BTSR):

Nestled in the heart of the beautiful Davis Mountains in West Texas, this 9,000-acre ranch is one of America's premier High-Adventure council camps. The camp is nationally recognized and fully accredited by the Boy Scouts of America.

In operation since 1947, this beautiful ranch has met the needs of Scouts, Scouters, and their families for 70 years. BTSR is located in the middle of Little Aguja Canyon of the Davis Mountains. During the course of our 9 weeks of summer camp, we serve over 4,000 youth and adult campers. There is a wide variety of traditional Scouting programs as well as some premier high adventure activities not found at many other camps.
