### **Much more than a race...**

While the exhilaration of the actual race lasts only moments, the Pinewood Derby experience lasts a lifetime. The benefits, for the Cub Scout and adult, are discovered through the derby process itself: strengthening bonds, sharing responsibility, developing teamwork, learning new skills, exercising creativity, building sportsmanship, and making new friends.

### **Sportsmanship- The big win!**

The father of the Pinewood Derby, Donald Murphy, described his vision for the event to Scouting magazine in 1999: "I wanted to devise a wholesome, constructive activity that would foster a closer father-son relationship and promote craftsmanship and good sportsmanship through competition." As Cub Scouts learn the skill of good sportsmanship, they are better able to recognize and appreciate the new skills they've acquired, to show respect to all those involved, and to experience the fun and excitement of competition.
