

Lone Star District Fellowship Weekend

August 18th - 20th, 2017

Camp Thomas

504 Driver Road, Big Spring, Texas

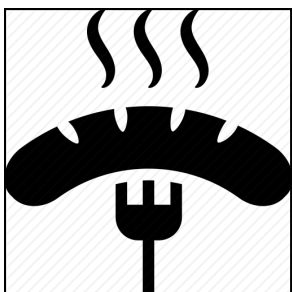

We strongly encourage everyone to come down and enjoy some good old-fashioned outdoor fellowship. Bring your games, bring the yard chairs, bring the football, bring your tents, and bring your own shade. This will be a great time to visit with other Packs, Troops, and Crews in our District.

This weekend will be very laid back and family friendly. Only want to come out Saturday? Why not! Want to stay the whole weekend? We look forward to seeing you there! No rules, no expectations, everything goes!!! (Just keep it Scouting appropriate.)

What camping event would be right without a campfire? We will probably have one on each night. Don't forget bring a skit (or several). When the smores come out the night will be complete (bring your own smores)!

Because this event is **FREE** you will need to bring your own supplies and food. All cooking fires need to be contained and supervised. Local burn bans (if any) will apply.
