Greetings,

Today, more than ever, area youth need opportunities to explore nature, learn to problem solve and work as a team. Taking them off the couch, away from the television and video games and putting them in the outdoors gives them that opportunity. It's that simple!

Because of you, a youth has the ability to become a Scout and develop skills that they will use for the rest of their lives. Your generosity and involvement are creating hope and opportunity for the next generation of leaders, teachers and generous philanthropists like yourself.

Our coffee corporate campaign provides three boxes of k-cups per month at a cost of \$40 a box. If you multiply it out for 12 months it totals \$1,440 for the year. To avoid shipping charges we drop ship to our main office and the Scouts will deliver as you require. Payment can be made monthly, quarterly, or a one time charge to the scouts unit. The scout benefits by receiving one third and another one third supports the Scout camp in Ft. Davis and the other portion goes back for the product.

Thank you for your consideration in sponsoring our youth so that they can benefit from all that our program offers. It only takes a little per youth for an entire year of Scouting to give them values and ethics to last their lifetime.

Thank you for being the strength behind our future leaders!

Sincerely,

Matt Vercher
