2019 Buffalo Trail Popcorn Guide

Show and sell

The scout shows the products on a table at a local business or door to door (show and deliver) and takes the persons order and then provides the person their product immediately.

Take Orders

This sales technique involves taking the "Take Order Form" to family members, neighbors, church and other locations and asking those in attendance to place an order for popcorn. Money should be collected when the order is placed and the "Take Order Form" is filled out as completely as possible. The unit then places the order to be picked up at the warehouse. Once picked up, the scout then delivers the product to the person who placed the order. "Take Order Forms" from previous years are great places to start when taking orders for 2019. The new Trail's End Mobile App can also act as a "Take Order Form."

Online Sales

This sales technique utilizes e-mail, social media and websites to sell popcorn to those that are not local. A scout, along with family assistance, sets up an account at www.trails-end.com. Your scout can then send customized emails through www.trails-end.com to family and friends throughout country to encourage sales to support your scout. They can then place their orders through the Trail's End website, search the scout's name and they get credit for the sale. The product is shipped directly to the customer and does not have to be delivered by the scout or unit. Successful units incorporate a combination of these techniques into their popcorn plan.

Tips for selling more popcorn

- ❖ Use a combination of online sales, Show-n-Sell, Show-n-Deliver and Take Orders to maximize sales opportunities.
- ❖ Set up a system to be able to accept credit card payments.
- ❖ Encourage Scouts to sell popcorn by creating and managing “Scout Accounts” within your unit.
- ❖ Offer incentives within your unit to create competition between patrols or dens or Scouts.
- ❖ Promote popcorn at every opportunity both within the unit and outside of the unit.

- Wear your uniform.
- Smile.
- Tell customers why you are selling popcorn.
- Know the products.
- Say “Thank You” even if the customer does not make a purchase.

Safety is of the utmost importance!

ALWAYS sell with another Scout or with an adult.

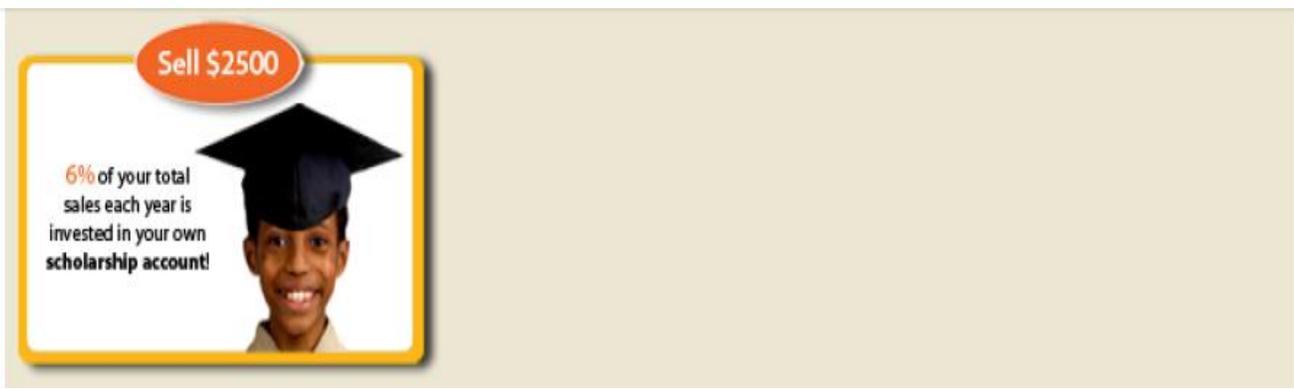

NEVER enter anyone’s home.

NEVER sell after dark unless you’re with an adult.

DON’T carry large amounts of cash.

ALWAYS walk on the sidewalk and driveway.

Trails-Ends Scholarship program

- A scout who achieves \$2,500 in total sales during a sale season will be enrolled in the Trail's End Scholarship program in which 6% of your total sales each year will be invested into the Scout's own scholarship account throughout the entirety of their scouting career.
Example: A Tiger sells \$2,500...6% entered to establish account. 6% of yearly sales until the age of 18 is deposited in scout's account managed by Trails End.
Please visit www.trails-end.com reward's section for detail.

Parents are required to submit directly to Trails-End.

Note: Scouting totals are determined by final total take order sales from July 27th- November 20th.
